

## REMARKS

Applicant has amended claim 7 to place the Application in better form for issuance by correcting a typographical error made during the prosecution of this application. More specifically, Claim 7 was not amended during the prosecution, but the phrase "is a pump" was inadvertently dropped during the prosecution. With this correction to Claim 7, this claim is brought back to its original, correct, form. As such, the proposed amendment is merely formal in nature and does not introduce new matter. Therefore, the proposed amendment is permissible under 37 C.F.R. § 1.312. Accordingly, approval and entry of this amendment is respectfully requested.

Should the Examiner be of the opinion that further clarification is necessary, or that outstanding issues exist, the Examiner is invited to contact the undersigned attorney

Respectfully submitted,
